| 605 | | | ***Dual Credit**<br>**X** Any course marked with an X (including those described below) in the Dual Credit column has been approved to count for dual credit reporting for A-F Accountability and for BOTH Academic and Technical Honors (AHD and THD) if a high school has a formal dual credit agreement with a college and the student is enrolled concurrently in a college course and earns transcriped college credit as specified in the the dual credit agreement.<br><br>***Priority Dual Credit (PDC)**<br>**X PDC/LA** and **X PDC/CTE** as used in this table are those Liberal Arts and Career & Technical Education courses on the state approved Priority Dual Credit list. If the high school has a formal agreement with a college to award dual credits for these courses, students may earn both high school credits and transcripted college credits as specified in the the dual credit agreement. Per Indiana legislation, the college can charge high school students no more than $25 per college credit and the college receives funding as part of Indiana CHE's dual credit biennium budget recommendation. | | | | | |
| 606 | | | | | | | | |
| 607 | | | | | | | | |
| 608 | | | **Per NCLB, the Core Academic Subjects are defined as the following: English/language arts, reading, mathematics, science, foreign languages, civics and government, economics, history, geography and fine arts (music and visual art). Teachers of "core" courses must meet Highly Qualified Teacher (HQT) standards. The HQT standard is not germane to non core subjects/courses; therefore, HQT is not defined for those teachers. In column G, courses that meet the NCLB definition are designated as Core. Those that do not fall within the definition are designated as Non Core. | | | | | |
