INDIANA DEPARTMENT OF EDUCATION

Office of Integrated Services

151 West Ohio Street
Indianapolis, IN 46204

21st Century Community Learning Centers Soaring Beyond Expectations	http://www.doe.in.gov/21stCCLC	The 21st Century Community Learning Centers program is an after-school initiative authorized by the No Child Left Behind, Title IV Part B. The program is administered in the State of Indiana by the Indiana Department of Education. Particularly targeted at students in high-poverty areas or low-performing schools, the program helps communities establish or expand community learning centers that provide students with academic enrichment opportunities aligned to state standards in core subjects, such as reading and mathematics.
Indiana Academic Standards	www.doe.state.in.us/standards	This web site contains tools teachers can use to align their instruction to Indiana's Academic Standards and the Indiana Core Standards. The Curriculum Frameworks, included on this web site, serve as guides to the Standards and resources for classroom activities and teaching information.
iAn Indiana Afterschool Network Mobilizing support for Indiana's afterschool and summer learning programs	http://www.indianaafterschool.org/	State advocacy organization for afterschool programs. The IAN vision is that all Indiana children have access to affordable, quality afterschool and summer programs that help prepare them for success in school, work, and life. The mission is to engage public will to increase public and private investment on quality afterschool program initiatives throughout Indiana.
SEDL	www.sedl.org	SEDL researches promising practices in afterschool programs through a rigorous review process that includes on-site assessments of afterschool sites across the country. They oversee three randomized controlled trials looking at the effectiveness of promising afterschool interventions. SEDL provides professional development and training for afterschool professionals and state education agencies and develop tools and resources for afterschool practitioners.

Afterschool Alliance	http://www.afterschoolalliance.org	The nation's leading voice for afterschool, the Afterschool Alliance a lead organization dedicated to raising awareness of the importance of afterschool programs and advocating for more afterschool investments. The Afterschool Alliance works with the administration, the U.S. Congress, governors, mayors and advocates across the country.
Indiana Department of Education SUPPORTING STUDENT SUCCESS	www.doe.in.gov	Information provided by the Indiana Department of Education is available online.
INSPIRE Indiana Virtual Library	www.inspire.net	INSPIRE is Indiana's Virtual Library on the Internet (free to Indiana schools). INSPIRE is a collection of commercial databases and other information resources that can be accessed by Indiana residents using any PC equipped with an Indiana Internet connection and a Web Browser such as Netscape or MS Internet Explorer.
DonorsChoose.org Teachers ask. You choose. Students learn.	www.donorschoose.org	Donors Choose is a simple way to provide students in need with resources that our public schools often lack. At this not-for-profit web site, teachers submit project proposals for materials or experiences their students need to learn. These ideas become classroom reality when concerned individuals, whom we call Citizen Philanthropists, choose projects to fund. Any individual can search such proposals by areas of interest, learn about classroom needs, and choose to fund the project(s) they find most compelling.
pPas Promising Practices in Afterschool	http://www.afterschool.org/	The Promising Practices in Afterschool (or "PPAS") System is an effort to find and share things that are working in afterschool programs.
verizon | Thinkfinity Literacy, Education and Technology	http://thinkfinity.org/	***Thinkfinity*** is built upon the foundation's flagship education program formerly known as Verizon MarcoPolo, and the foundation's comprehensive online resource for literacy, the Verizon Literacy Network.
INDIANA STATE MUSEUM CENTER FOR SCIENCE AND CULTURE	http://www.indianamuseum.org/about/	Located in White River State Park in downtown Indianapolis, the Indiana State Museum brings the best of the museum world to Indiana. Filled with three floors of Core Galleries telling the story of Indiana as well as fascinating changing exhibits, the museum explores art, science and culture. Learn about Indiana and its place in the world. FREE admission for students and staff of schools that are 40% free/reduced lunch.

Welcome to read·write·think International Reading Association NCTE marcopolo	www.readwritethink.org/	ReadWriteThink, established in 2002, is a partnership between the International Reading Association (IRA), the National Council of Teachers of English (NCTE). ReadWriteThink offers standards-based lesson plans that integrate the Internet into the teaching and/or learning experience. Lessons can be selected according to grade band (K–2, 3–5, 6–8) and area of literacy practice.
FREE Federal Resources for Educational Excellence	http://www.ed.gov/free	More than 30 Federal agencies formed a working group in 1997 to make hundreds of Federally supported teaching and learning resources easier to find. The result of that work is the FREE web site.
First Book	http://www.firstbook.org	First Book is a national nonprofit organization with a single mission: to give children from low-income families the opportunity to read and own their first new books. The primary goal of First Book is to work with existing literacy programs to distribute new books to children who, for economic reasons, have little or no access to books.
¡Colorín colorado!	http://www.colorincolorado.org	Welcome to Colorín Colorado, a bilingual web site about reading. This site is full of information, ideas, and practical tips on how Spanish-speaking parents can help their children become confident, successful readers.
CELESTIA	www.shatters.net/celestia	The free space simulation that lets users explore the universe in three dimensions. Celestia comes with a large catalog of stars, galaxies, planets, moons, asteroids, comets, and spacecraft, as well as a catalog of additional downloads. Students and teachers can plot a course and navigate a 3D solar system.
stellarium	www.stellarium.org	Stellarium is a free online planetarium. It shows a realistic sky in 3D, and can be used with planetarium projectors.
