[i] *Rules for Educator Preparation and Accountability 3* (REPA 3) was recently adopted as the new licensure framework for educators in Indiana. It is replacing the current *Rules for Educator Preparation and Accountability* (REPA), though certain components of REPA will remain place until the transition to REPA 3 is complete. The changeover from REPA to REPA 3 programs will be implemented by institutions of higher education anytime between January 16, 2015 and August 31, 2019. A few important dates to note:

August 31, 2019 – last date on which individuals may complete a REPA program;
September 1, 2019 – teacher preparation programs may offer only REPA 3 programs;
December 31, 2019 – last day to apply for a REPA license (511 IAC 16-1-1).
See http://www.doe.in.gov/licensing/repa for more details.

[ii] Candidates will be expected to meet the teaching standards and assessments for the grade setting of the content area.
