

Assessment Vocabulary

English/Language Arts – Grade 10

The purpose of the *Assessment Vocabulary* list is to highlight vocabulary used in assessment items that teachers can use to prepare students for ISTEP+ as well as to create classroom assessments. While this list is not inclusive of all vocabulary that may appear on the assessment, it is representative of words and phrases students may frequently encounter. Language from the academic standards (e.g., structure, theme, claim) is also used in assessment items. For a list of academic standard language, please see the Indiana Academic Standards 2014 English/Language Arts Glossary located here: <http://www.doe.in.gov/sites/default/files/standards/glossary/grades-k-12-6-4-14-sheet1.pdf>
