# Features – Background/ Foreground Color

The image shows a screenshot of the TestNav application interface. At the top, there is a navigation bar with a back button, a forward button, a 'Review' dropdown, a 'Bookmark' button, and a user profile icon labeled 'J. Doe'. A red box highlights the user profile icon and the text 'J. Doe'. Below the navigation bar, a 'Contrast Settings' dialog box is open, displaying a list of color schemes with radio buttons. Red arrows point from each color scheme to a corresponding sample of the text 'A. 375' with that scheme applied. The color schemes are: Black on White (Default), Black on Cream, Black on Light Blue, Black on Light Magenta, White on Black, Yellow on Blue, and Gray on Green. A 'Continue' button is at the bottom of the dialog. To the right of the dialog, a user menu is visible, containing the options 'Change the background and foreground color', 'Show Line Reader Mask', and 'Sign out of TestNav'. A red box highlights the 'Change the background and foreground color' option.
