

## Migrant Minute: July 2016

### Office of English Learning and Migrant Education

Nathan Williamson, Cole Dietrich, Mina Potamouis

#### Digital Forms for SSY '16:

- [Parent Survey \(English\)](#)
- [Parent Survey \(Spanish\)](#)
- [Staff Survey](#)
- [Digital Literacy Assessment](#)

#### RECRUITMENT REMINDERS

-Priorities 1-100 are to be out recruiting!

-Coordinate with other recruiters for assistance in your area when it's busy, and support others whenever possible

-Remember to continue checking iCert for H2A workers in your area

#### -Recruitment Tip of the Month:

Sonia shared with us that when she wants to find a crewleader's name and phone number, she looks at the water cooler that the crew has with them. It will almost always have their contact info on it, in case the crew needs anything when the crewleader is not around.

-Remember to make STN requests by 3PM on Fridays, and to double check the information in your request for accuracy

-Any migrant student who is present in Indiana for at least one day goes in our student count and can receive MEP services. All students who qualify for the MEP should have a COE, regardless of the length of their stay in our state.

#### In the News:

##### "Honeybee decline threatens Indiana crops..."

The continual decline in honeybees in Indiana has the potential to negatively affect crop production in the state.

#### Some dates to remember:

- August 8<sup>th</sup>** Midas and MSIX Training at IDOE— **register by Friday July 29<sup>th</sup>!**
- August 15<sup>th</sup>** MPO Reports due
- August 31<sup>st</sup>** End of the 2015-16 Performance Period

#### ID&R Sweep was a great success!

Our ID&R Sweep was conducted from July 11-15 in regions 1 and 6 with support from ESCORT, MRC staff, the recruiters and IDOE. Because of the extensive planning and excellent support from many different parties, **we were able to complete 45 COEs and identify a total of 69 new migrant students!**

Region 1 recruiter, Alfonso, speaks to a group of workers at a local farm during the Sweep

Thank you to all who participated and are continually #makingithappen for our students!

#### MSIX News:

**-MSIX use is now REQUIRED for all states receiving MEP funds**

-Training on August 8<sup>th</sup> will discuss requirements and Midas

-Reminder: MSIX contains detailed trainings on its [home page](#) that are a great resource for all users

#### MRC News and Reminders:

-Summer Schools are wrapping up, transition into giving RSY services is beginning

#### -Reminders:

- \*\*MPO Reports are due August 15<sup>th</sup>, let Mina know if you have any questions about this report
- \*\*Make PFS determinations for all SSY students
- \*\*Remember to compare SEA Report data with your records each week to ensure clean data

#### Indiana Migrant App

- Remember to check Midas for any requests from families, all test data has been cleared
- Share with families as much as possible, especially for next summer when they return
- Share links to download on your websites, similar to what we added to [ours](#)
- Send a list of any technical issues you experience to Mina
