

AGENDA

Every Student Succeeds Act Listening Tour

- **ESSA Overview of Components**
 - Challenging Academic Standards
 - Challenging Academic Assessments
 - Accountability
 - Supporting Excellent Educators
 - Supporting All Students
 - Support and Improvement for Schools

- **IN ESSA Timeline**

- **IN ESSA Input Opportunities**

- **Open Public Comment**

** Suggested Feedback Questions on back of agenda*

Accountability

- How could we strengthen the current accountability system?
- What type of non-academic measure(s) should Indiana include?

Assessment

- How could we strengthen the current assessment system?

Excellent Educators

- What ideas would you recommend to support educators?
- How can we support attraction, preparation, development, and retention of an educator workforce?

School Improvement

- Thinking about Indiana's current Outreach for School Improvement system, what changes would you recommend to strengthen state support?

Student Supports

- What types of information and support do school corporations need to better address the needs of all students?
