### Question 11

N/A

N/A

N/A

I have been mentored both by my department chair and other teachers in my department with whom I have a course-alike. These mentors have helped me develop differentiated curriculum, use data to drive my teaching, and have helped me navigate the school environment.

Worked closely with other special education teachers to write IEPs and do trainings

I attend workshops at work that enable me to improve professionally. Teachers in my department offer tips on  
N/A

Experienced teacher that taught right next to me for the first two years. She had 25 years of teaching experience. My cooperating teacher from student teaching stay in touch.

N/A

General teacher in-service meeting provided both formal and informal training. I also reached out to local directors and visited their classrooms. I have quite a community of educators that have provided mentoring for me in my profession. I have also received help from college professors informally since graduating. I worked for two years at a private 6-12 school that was unable to provide much formal professional development.
