Question 11

I have had two mentors. One was an english teacher and the other was a special education teacher. We also have monthly meetings for new teachers that are conducted by the elementary and high school principle.

N/A

N/A

TAP Program

I have had a helpful group of fellow staff members that have helped me along in the process of becoming a classroom. I have also attended a new teacher seminar once a month from the beginning of the school year with my fellow beginning teachers where I was able to have many of my general corporation questions answered and was guided for better classroom instruction.

N/A

Clarksville is a Tap school and we had weekly cluster meetings to discuss building and classroom objectives

N/A

I attended New Teacher Academy offered by Greater Clark County Schools. As part of the Formative Assessment Design Team, I was able to work closely with teachers from other schools within the district from the same grade level and I learned a tremendous amount from the experience.

N/A

N/A

N/A

I met with the principal and worked closely with experienced co-workers on curriculum. I met with the administrator that conducted my evaluation throughout the year. I worked closely with the reading specialist

N/A

I am able to meet with fellow teachers to discuss hardships and successes in my classroom. We brainstorm together on how to solve problems that arise in our classrooms. Principal is willing to meet as often as needed

N/A

During my years as a teacher I worked closely with two or more teachers who helped me to grow as an educator and I also collaborated with them.

I received a wonderful mentor teacher and I worked on a team of great teachers who helped me through every day. Our building is a true PLC so no teacher, no matter how long they have worked, has to go at it alone.

Worked for two years as an intern under a building principal. Worked in collaboration with principal as an

While working in Greater Clark, I attend weekly PD sessions (1.5 hrs per week).

N/A

N/A

My school is a professional learning community. The conversation and collaboration that I have gained throughout my career have helped me grow as an educator.

I was paired with a mentor teacher to answer questions and develop my teaching abilities. My mentor teacher provided me with guidance on classroom management as well as other areas. The teacher would also observe me teaching and provide feedback for improvement.

N/A

#NAME?

I've had two experienced teachers who have been incredibly helpful my first 2 years of teaching.

First year teachers meetings once a month to discuss a variety of content and classroom management

I was paired with a highly experienced English teacher. I worked closely with her on daily basis. She helped me improve my lesson planning and helped me understand how to correctly assess student learning.

N/A

My mentor teacher observed my teaching techniques as well as allowed me to observe her teaching techniques. She gave me positive feedback and showed me ways to improve.

I was able to observe in experienced teacher classrooms in grades 2-4 throughout the year.

Other educators in the building who served to offer me guidance in my understanding of school-based curriculum and the overall guidelines to be followed. I was also fortunate enough to receive assistance from educators assigned to other schools in the district who aided in my ability to further understand the resources available to me in my field of work.

N/A

I got advice from my mentor and other teachers about classroom management and general information and also other Math teachers gave me advice about teaching math.

Teacher evaluations gave me areas for possible improvements.

At North Lawrence Schools, we also have Beginning Teacher meetings once a month to discuss topics once a week at the high school to discuss lesson plans and students. At the middle school, we would meet once a week after school to discuss lesson plans for the middle school students. We also discussed classroom management.

My grade level team worked like a mentorship. They gave me suggestions on how to improve and we worked together with ideas from all parties to make this year the best that it could be. I have gained a lot of knowledge from their experiences and the things they have shared with me.

N/A
