Question 11

N/A

#NAME?

N/A

Township uses TAP rubric to evaluate and mentor teachers. Each school year teachers get 4 evaluations, which involve a pre-conference and post-conference to discuss areas of reinforcement and refinement.

N/A

I have participated in weekly professional development meetings and summer professional development courses provided through Perry Township. The Perry Township Education Center houses our EL department

N/A

I have received many mentors at the school who I have been able to learn from. I was also presented with many different professional development opportunities to attend with my colleagues so that we would all be able to I attended new teacher professional development at Pike and various types of professional development in IPS. I have had many opportunities to co-teach with other 3rd grade team members, the instructional coach, and the special education teacher.

N/A

I worked closely with a veteran teacher of 32 years and also was given lots of support from the building's reading

N/A

share best practices, improve students' grades, and develop the curriculum. I maintain regular contact with the French teachers informally through e-mail and informal meeting through the school years. While at Lawrence North High School I also met weekly for PLC meetings with other foreign language teachers. I also maintained regular contact with the French teachers from Lawrence Central to further share ideas and best practices more specifically for the French curriculum, as well as for extra curricular activities specific to French students. I regularly exchange ideas informally with other foreign language teachers in the department, and school wide meetings also helped improve best practices in areas such as reading strategies and specific instructional

N/A

N/A

N/A

N/A

Avon provided me with a two year program that taught us best practices and educated us on the tools the school corporation provides.

N/A

N/A

N/A

N/A

- For 3/4 of the school year, I have been paired with an Instructional Coach. We meet on a bi-weekly basis to discuss reflections and thoughts that I might have. - I was put in touch with a teacher in a very similar classroom

N/A

N/A

I have worked as an assistant principal. During this time, I have worked closely with the building principal, who served as my mentor during my master's program and admin experience. I also have worked very closely with The Woodrow Wilson Teaching Fellowship paired me with a mentor teacher during my student teaching clinicals.

N/A

N/A

I currently teach in a co-taught class with a teacher who is approaching his tenth year in education. His leadership and advice have served as an informal mentoring relationship.

maternity leave at North Grove Elementary in Center Grove Community School Corporation. I have been here since August 31, 2015, and will finish the school year here. At North Grove, I regularly work with the instructional coach, as well as my experienced teammates.

1) Read/discussed "Teach Like a Champion" by Doug Lemov with guided questions by Dr. M. B. as a first-year teacher training program. 2) Attended a Depth of Knowledge Conference through Region 8 ESC with fellow teacher J. W. on August 26, 2015. 3) Scheduled to attend a We the People Summer Training Institute through the Indiana Bar Association at IU-Bloomington July 10-14 2016. 4) Multiple classroom walk-through observations with Principal M. M. 5) 2 Long Classroom Observations with Vice Principal L. S.

Colleagues have assisted me with whatever issue I may have had during the course of my first two years.

development one day a week, 3/4 quarters of the year. One full day of professional development (district pd) The completion of "GCL course" aka new teacher professional development. A 1 year program with monthly meetings.

N/A

TAP mentoring and mentoring from my administrators on district expectations and responsibilities.

Mentoring through PLC's, School and District-wide PD sessions, and personal one on one mentoring from my department chair, assistant principals, and my assigned mentor teacher.

I worked closely with the special education team at H. B. S.s. They helped me with IEP's and discussing appropriate assessments and teaching methods.

N/A

also been mentored by my superintendent for the last year while completing my doctoral studies at Indiana University. In addition to these experiences, I was mentored for one year at the outset of my teaching at Richmond High School (where I taught for a total of six years) and for the two years of teaching I conducted in Florida as an AmeriCorps volunteer. In sum, half of my decade in education has been spent as someones mentee.

N/A

I was able to seek advice & plan closely with areas in which I was struggling. For example, guided reading implementation was a struggle of mine, and my mentor helped me plan these lessons and gave advice on how to best implement them in the classroom. She would circle back to see how it was working and help me improve upon my plan. She would help me use data to drive these group plans.

none

I work very closely with my team to provide an excellent learning environment for my students.

N/A

I lucky enough to teach at the school I student taught at and had full access to my mentor teacher. She was a great resource during my first year.

I have collaborated with the other teachers in the department. I have not had a mentor teacher.

N/A

Every Wednesday I participated in Professional Learning Communities for an hour.

I have received mentoring from my colleagues as well as from Professional Development in the IB.

N/A

I worked closely with a veteran teacher who taught with me on the 4th grade team. We collaborated often, shared ideas, and worked together on a daily basis. I also often met with our Instructional Coach who helped to create lesson plans, plan units, and implement the workshop model during math.

All teachers have been extremely supportive

education staff. The teachers whom I collaborate with have been extremely helpful and flexible. This school environment and administration are very inviting. I have always felt that I can approach the principal or vice principal with any questions or concerns. I have received informal mentoring from numerous teachers. However, the one teacher who helped me more than anyone was the resource teacher whose position I filled. Even after she transitioned into a gen.ed position, she still made time to mentor me.

classroom. Our building coaches work to offer professional development then push into the classrooms to help us with best practices. My team is incredibly strong and has taken me under their wing and resourced me, informed me of best practices, and explored content with me.

Co-planning w/ experienced teacher (1 week most weeks) Professional Learning Community (2-3 days week) informal mentoring from experienced teacher

N/A

I worked very closely with a veteran English teacher (K. C.) who teaches pre-AP freshmen English. She helped me with planning/pacing.

I was involved in the IMAP program which helped mentor us through our two years of teaching.

All teachers and principal were very helpful if I ever had questions or needed help, but I didn't have a specific "go

I also received continued mentoring from past college and university professors in the field of foreign language.

My mother, who has taught for 35 years in a different corporation, also provided an excellent mentorship.

N/A

Weekly Meetings with building literacy coach and grade level team. Professional development throughout the year. Conversations with multiple peers.

I am able to go to other teachers with questions when I have them.

I worked directly with my department chair and one of the assistance principals. I would have frequent observations, with pre/post observation meetings to help tune my lessons.

District counseling staff professional development meetings and personal relationships with other school

N/A

N/A

Also worked with a district mentor for first time teachers at Indianapolis Public Schools. She assisted with any questions I had regarding licensing, IMAP, professional development, and any other items related to the school

#NAME?

My principal has been a very hands on mentor as well as working on a team with two very experienced teachers. These individuals have mentored and taught me so much over the last few years.

other family and consumer science teacher at Pendleton Heights High School and has been for many years. L.

also has been a great mentor to me several times a week over the past 2 years. She would give me advice and share her opinions, and also share with me a wide variety of resources available to me. I have also attended meetings with other new teachers several times.

I did not receive any mentoring while in an administrative position (2014-15). I have been a class room teacher since. I'm trying to renew my REPA for administration, in hopes of joining a mentoring program in my new

N/A

N/A

N/A

I also received mentoring from our school's Instructional Coach and completed new teacher professional development classes as well.

My department chair conducts four observations each year and provides detailed feedback on my performance, quality of assessments, evidence of differentiated instruction, etc. He also observes lessons or half-lessons at random, and we discuss what he observed in the classroom.

Monthly New Teacher Meetings

Our school has weekly professional development meetings. These meetings are led by master teachers and are workshop format. The topics include instructional strategy, differentiation techniques and school specific issues. My whole school was very open to questions and helped me through my first few years of teaching.

N/A

N/A

n/a

N/A

Master Teacher mentoring

N/A

N/A

I have worked closely with Tindley Accelerated's Assistant Principle of Academics, who mentored me in developing curriculum and best practices. I was also reviewed and provided feedback weekly by our Principal to N/A

I was a Noyce scholar at IUPUI so I received a mentor through that program too, primarily for the first year. My school principle, D. W., has mentored me in student behavior management and team teaching dynamics. I have also gotten to work with two experienced science teachers during weekly planning meetings. I had a mentor teacher and also had a master teacher.

Worked with department chairs to improve instruction. Partnered with experienced master teachers to develop as a professional educator. Attended various conferences and workshops to improve instruction, classroom management, pedagogy, and mastery of curriculum used by district.

N/A

I worked closely with my Kindergarten team to ensure that our students were receiving adequate services in regards to teaching them English as a New Language.

Worked closely with the Director of Curriculum to design and implement a series of Elementary Professional development workshops in mathematics.

I have taken part in numerous hours of PD in which I was able to learn from more experienced teachers. I also worked very collaboratively with the more experienced teachers on my grade level team to develop my
