LaPorte Community Schools paired me with a veteran teacher at my school. I was able to meet with my mentor before or after school when I needed assistance. I was also given time during the school day, twice during the school year to shadow her in her classroom and let her observe me. I completed many new teacher academy sessions as well to help me connect with other principals and first year teachers in our district.

I have received mentoring and support from my grade level team, which consisted of two seasoned educators.

They worked closely with me to help me be successful in the classroom. I also was able to work closely with another grade level teacher who helped me progress throughout the last two school years.
