the supporting staff at the school, answered any questions I had and were eager to guide me in the right direction and provide support during the trying times that first-year teachers often encounter. My mentor also helped me meet the staff and invited me to multiple staff-outing events. The mentoring program at Forest Park was outstanding, and I believe the guidance and encouragement I have received during the last two years will continue.

I participated in the beginning teacher mentor program provided by the Diocese of Evansville. I met regularly with a mentor teacher and became familiar with the professional growth and evaluation process for teachers. I worked with my mentor teacher to develop a professional growth plan. Throughout the 2 year teacher mentor program I was able to observe my mentor teacher and other teachers both in teaching and planning.

N/A

I have participated in a lot of team planning with my grade level.

N/A

We have PLCs in my school. I have had the pleasure of working very closely with five other 8th grade language arts teachers the past two years who help me with any and everything I need.

My grade level team.

N/A

I frequently ask questions of more experienced teachers in my department and also within my administration.

The meetings concerning my teacher evaluations also served as mentoring experiences for me.

new teacher meetings in which we met with administration and other new teachers where we discussed items/programs in the corporation.

N/A

Joshua Academy paired with an experienced teacher with a masters degree. She observed me three separate times, took notes over my achievements and areas that I need to work on. We met and talked about what I needed to keep doing and change for the future. The principal observed me three times and met me to discuss my evaluations over lesson plans, procedures, whole group instruction, and small group interventions. I have received mentoring from another teacher at my school in order to complete my IMAP training. I was paired with a Mentor Teacher, but was also able to work closely with the other Math teacher at my grade level. She also served as a Mentor to me during the school year. We would collaborate each week on what material was going to need to be covered and other items that we were going to need to be prepared for.

New teacher support, several professional developments

I worked closely with an experienced teacher in order to receive my own mentoring. I also had a close relationship with my principal that I could turn to for mentoring.
