

New Passing Scores Set for 10 Tests

The Indiana State Board of Education has approved new passing scores for the following tests included in the Indiana CORE Assessments for Educator Licensure program:

- 019 English Learners
- 020 Middle School English Language Arts
- 034 Middle School Mathematics
- 035 Mathematics
- 036 Middle School Science
- 046 Science—Physical Science
- 060 Elementary Education Generalist Subtest 1: Reading and English Language Arts
- 061 Elementary Education Generalist Subtest 2: Mathematics
- 062 Elementary Education Generalist Subtest 3: Science, Health, and Physical Education
- 063 Elementary Education Generalist Subtest 4: Social Studies and Fine Arts

As required by the Rules for Educator Preparation and Accountability (REPA), the state must wait at least 90 days before implementing the new passing scores. The new passing scores will be effective for these tests taken on or after June 10, 2015.

Once the new passing scores are implemented, candidates can obtain the minimum scaled passing score by answering fewer multiple-choice items correctly than was required under the passing standard initially established by the Indiana State Board of Education.

If you have an appointment scheduled before June 10, 2015 for one of the tests listed above AND you would like to have the new passing scores applied to your test, you must cancel your current appointment at least 24 hours in advance and reschedule it to occur on or after June 10, 2015.
