

**IMPORTANT: REQUIRED MODIFICATION TO SPONSOR INFORMATION SHEETS IN THE CNPweb®**

Effective immediately, our programs will require 9 digit zip codes for the Mailing and Street Addresses on the Sponsor Information Sheet. We request that you login to CNPweb at your earliest opportunity and revise your Sponsor Information Sheet, supplying the required information. The screen shots below come from the Child and Adult Care Food Program, but are essentially the same for NSLP and SFSP Sponsors. **We appreciate your timely response to this request.**

Enter the full Nine Digits of your zip code in both places. You do not need to enter the dash, although you can. The system will, however save the entry with a dash. If you do not know the 9 digit zip code for your address you can click on the little blue question mark icon next to the zip code field . This will take you to a US Postal Service (USPS) Website where you can look it up.
