

DETERMINING HOUSEHOLD INCOME FOR PARTNERSHIPS

CACFP Policy 99-02

Purpose

To establish procedures to determine household income in family day care homes operated by partnerships.

Scope

Family day care sponsors and providers on the Child and Adult Care Food Program (CACFP).

Description

In cases where the family day care home is operated by partners, all partners must qualify for Tier I in order for the home to be determined eligible for the Tier I reimbursement rate.
