20 Questions

Grade Level: Primary / Upper Elementary

Rating: 

REVIEW THIS LESSON!

Activity Synopsis

Participants guess a food by posing "yes" and "no" questions to the class.

Activity Outcome

Participants will be able to:

- Solve a simple food identification problem

Materials and Advance Prep

- Food Models (or food pictures) - 1 per student
- Pins

What To Do

1. Pin a Food Model on the back of a student. (Or hold the Food Model behind the person).
2. Show the rest of the group the food.
3. Have the participant discover the food by asking the group questions that can be answered with "yes" or "no."
