

The Lake County School Safety Commission and the Indiana School Safety Specialist Academy
Present:

"Threat Assessment and Threat Management"

Presented by:

SIGMA Threat Management Associates

SIGMA Threat Management Associates is a team of leading experts in behavioral threat assessment and threat management who provide violence prevention services to businesses, educational institutions, government agencies, military units, law enforcement and security professionals. The experts at SIGMA have decades of experience assessing thousands of threats from careers in federal, state, and local law enforcement, education, criminal justice, mental health, and law. The work of SIGMA team members in threat assessment research and practice has helped define best practice in behavioral threat assessment and is cited as a model in U.S national standards and federal guidance.

Topics to Be Covered Include:

- review of federal model for school threat assessment
- overview of school crime and violence
- case studies
- building effective school threat assessment programs
- using best practice procedures for investigating and evaluating threatening behavior
- strategies to manage threats and reduce risk
