To whom it may concern:

The undersigned assures that Principal, Jon M Price, ("Principal") placed in Edinburgh Community Middle School ("Turnaround School") was an intentional placement by Edinburgh Community School Corporation ("Corporation"). The Corporation placed the Principal in the Turnaround School on the belief that Principal had the abilities to lead the Turnaround School.

It is understood that this assurance is provided in lieu of other evaluation documents due to the Principal's limited time at the Turnaround School.

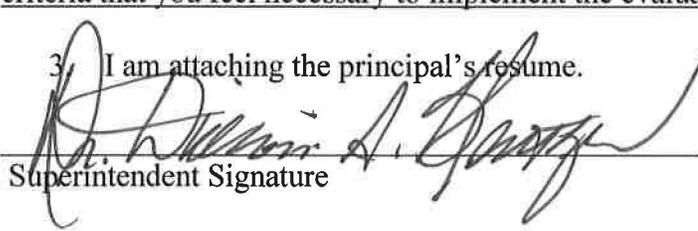

1. I used the following criteria as evidence the principal has a past track record of student success
  - a. It is important to note that when evaluating this component, the IDOE will look at the principal evaluation being used by the local district and whether or not the principal has met the bar for improving student achievement as reported on the local principal evaluation.

Mr. Price is a beginning principal and is working extremely hard to improve student achievement. The school grade is not mainly his responsibility but I do hold him accountable.

2. I used the following criteria as evidence the principal can lead the turnaround effort and effectively implement the 8 turnaround principles:

Please see attachment #1 the current Administrator's evaluation instrument. The Administrator's evaluation instrument is used to determine his effectiveness and to continue to monitor his progress. If there are other criteria that you feel necessary to implement the evaluation process please feel free to contact me.

3. I am attaching the principal's resume.
