Tab 1 of 2

Total IEP Medicaid reimbursement (state & federal \$) goes to the LEA. IDOE adjusts the participating LEA's monthly tuition support by the amount of state \$ + 3% of the federal \$ in the Medicaid payment. [Per IC 12-15-1-16, the State retains 3% of the federal \$ to defray state program administration costs.] The LEA restores the state \$ to tuition support and uses the unrestricted federal \$ (approx 67% of total reimbursement) as it prefers, e.g., for supplies, training, equipment or professional development.

# MEDICAID ADMINISTRATIVE CLAIMING (MAC) REIMBURSEMENTS

Tab 2 of 2

IndianaMAC (Medicaid Administrative Claiming) reimbursements are paid on a quarterly basis to each participating school corporation, charter school, State school and turnaround school. Reported MAC reimbursement amounts are net of any applicable prior quarter adjustments. These new, unrestricted federal funds enhance Local Education Agencies' budgeting flexibility, increasing options for financing mandated and optional services, materials and equipment. Statewide time studies show Indiana schools typically spend about 8-10% of the work day on MAC activities.
