Pages 1-11

Total Medicaid reimbursement (state & federal \$) for IEP-required service goes to the LEA. IDOE adjusts the participating LEA's monthly tuition support by the amount of state dollars + 3% of the federal dollars already received in the Medicaid payment. [Per IC 12-15-1-16, the State retains 3% of the federal funds to defray state program administration costs.] Each participating LEA restores the state dollars to tuition support and uses the remaining unrestricted federal funds (approximately 67% of total reimbursement) as it chooses, e.g., for supplies, training, equipment or professional development.

MEDICAID ADMINISTRATIVE CLAIMING (MAC) REIMBURSEMENTS

Last 4 pages of report

IndianaMAC (Medicaid Administrative Claiming) reimbursements are paid on a quarterly basis to each participating school corporation, charter school, State school and turnaround school. Reported MAC reimbursement amounts are net of any applicable prior quarter adjustments. These unrestricted federal funds enhance Local Education Agencies' budgeting flexibility, increasing options for financing mandated and optional services, materials and equipment. Statewide time studies show Indiana schools typically spend about 8-10% of the work day on MAC activities.
