

Indiana Teacher of the Year Program

Welcome to the Indiana Teacher of the Year Program!

Indiana Teacher of the Year Mission:

The mission of the Indiana Teacher of the Year Program is to develop a community of TOYs who, through the exchange of knowledge, vision, experiences and opportunities grow, promote, and celebrate the teaching profession and educators as leaders.

Indiana Teacher of the Year Goal:

The goal of the Indiana Teacher of the Year Program is to inspire, rejuvenate, and celebrate the teaching profession.

Indiana Teachers of the Year:

The Indiana Teachers of the Year (INTOYs) are the voice of education throughout Indiana and the Nation. The INTOY award is a lifetime role in education, which has many opportunities to celebrate teaching and uplift the teaching profession. INTOYs are comprised of a network of exceptional teachers who are now retired educators, administrators, college professors, and teacher leaders that continually provide support to the education community.

Indiana Teacher of the Year Selection Committee:

The Indiana Teacher of the Year Selection Committee is comprised of INTOYs and yearly selects Indiana's Teacher of the Year through the rigorous application process. The INTOY committee supports and provides guidance to the selected INTOY during the year of recognition and year of service. This committee also supports and gives feedback to the Indiana Department of Education and CCSSO.

Indiana Teacher of the Year Program

The classroom teacher is the backbone of the American educational system. No one person has a greater impact on the education of a child than does the teacher who creates the primary learning and instructional environment. It is the mission of the Teacher of the Year Program to recognize and honor the contributions of the American classroom teacher. The program is the oldest and most prestigious honors program to focus public attention on excellence in teaching.

The INTOYs have celebrated over fifty years of education excellence in Indiana. The Indiana Teacher of the Year Program is locally sponsored by American Fidelity, CSO architects, Herff Jones, Smart Technologies, Kroger, and many other fine organizations and businesses across the state. In addition, the National Teacher of the Year program is sponsored by Voya Foundation, People to People Ambassador Programs, and is a project of the Council of Chief State School Officers (CCSSO).

Every district may nominate a candidate for Indiana Teacher of the Year. During the year of recognition, the Indiana Teacher of the Year will continue educating in her/his classroom but will be released during various celebrations and conferences across the nation during the school year. The following year is considered the “year of service”, where the Indiana Teacher of the Year is released from classroom duties to focus on her/his Indiana Teacher of the Year platform and serve as a spokesperson and advocate for the entire teaching profession. The Indiana Teacher of the Year maintains a full schedule of speaking engagements, school visits, and legislative meetings throughout Indiana and the country, before the Indiana State Board of Education, Indiana Department of Education (IDOE), and a variety of schools, business, community, and education groups.

After the Indiana Teacher of the Year is selected, the process does not stop there! Our state candidate will be submitted to the National Teacher of the Year selection committee for nomination into the National Teacher of the Year. We have streamlined our program and selection process to match the National Teacher of the Year requirements. This will help lessen the impact of extra work to be completed by the INTOY for the National Selection Process. The Indiana Teacher of the Year is selected in September/ early October and the National Teacher of the Year portfolio is due at the end of October. The INTOY selection committee and the IDOE will assist the Indiana Teacher of the Year to perfect the portfolio for the National review process with CCSSO.

Finally, the Indiana Teacher of the Year will continue to promote the INTOY Program and be the additional “voice” of the INTOYs. INTOYs continue to participate yearly on the INTOY Selection Committee; celebrate and promote education in Indiana; work with legislators, higher education institutions, and education organizations; and participate in professional development workshops with the IDOE!

The Indiana Teacher of the Year selection committee is excited to learn more about your district candidate and the great accomplishments in education across our great state of Indiana!
