### Commendations

* The food service director was organized and prepared for the administrative review. The serving lines looked beautiful with the fresh fruit and vegetable choices. The food service staff were courteous and friendly to the students,

### Technical Assistance

* The school does have a food safety plan, but it should be more detailed. This reviewer provided two templates for the school to look over and have a more comprehensive food safety plan.

### No Findings during Review
Month of Review: January 2020
Date of Onsite Review: March 4, 2020

Finding 9055: No signage explaining what constitutes a reimbursable meal at beginning of service line.
As observed on the Day of Review, signage explaining what constitutes a reimbursable meal for breakfast was not identified near or at the beginning of the meal service line.

Corrective Action:
The FSD had a poster for breakfast before the exit review was conducted,

Technical Assistance:
The school was provided technical assistance during the on-site visit.
