Subject: 2020-2021 Accessibility Scenarios

The Indiana Department of Education (IDOE) developed a crosswalk document to clearly delineate the relationship between the student testing requirements, test form delivered to the student, the script for the student (if required), Test Delivery System (TDS) and Test Information Distribution Engine (TIDE) settings, DOE-TA Code Requirements, Indiana IEP (IIEP) daily accommodations, and IIEP testing accommodations. This document will assist educators in understanding the relationship between accommodations and testing components.

The following table outlines the codes in the DOE-TA and their associated accommodations.

C	Calculator (adaptive/handheld)
J	Hard of Hearing
L	Large Print
P	Print booklet
T	TTS
