The report must: provide a list of each curricular material evaluated and a summary of the evaluation for each curricular material; be updated annually; and provide a listing and summary review for the curricular materials that are aligned to the academic standards adopted by the state board under IC 20-31-3-1 for English/Language Arts; Reading; Mathematics; Science; Social Studies; Miscellaneous; and World Languages.
- IC 20-20-5.5-2(d) states that in order to be included in the report under subsection (b), a publisher must provide the department a written exact and standard statewide price for each curricular material.
