

Your Educator Recruitment Solution

The Indiana Department of Education is dedicated to attracting and retaining qualified, highly effective educators to staff the 2,298 schools around our state. We strive to make Indiana's schools the best in the nation and we understand that starts with filling schools with the best administrators, teachers, and school-related personnel. The Office of Educator Effectiveness is providing the platform Teachers-Teachers.com to connect job seekers with potential employers. Join today to help us #EducateIN.

Getting Started:

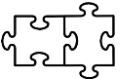

- ✔ Create a free account at indiana.teachers-teachers.com
- ✔ Enter your employer information to share your community setting, number of schools and students, and mission statement.
- ✔ Setup user logins for all individuals involved in the hiring process.
- ✔ Build online applications within the platform so that job seekers can quickly and easily apply to your job postings.
- ✔ Complete the Core Beliefs profile to find the perfect candidates for your schools.
