***Note: For information in regards to specific test numbers please see the document in Helpful Links "Highly Qualified Test Score Documentation".**

If you answered YES to ALL THREE of the questions above, you meet the definition of Highly Qualified. If you do not meet ALL FOUR of the qualifications above please complete the Becoming Highly Qualified Plan form. A copy of the teachers license, test scores, and transcripts MUST be kept on file at your central office along with this verification form.

(† Only veteran teachers can use the HOUSSE Rubric, the 100 points must be documented, and must have been earned before the end of the 2006-2007 school year, also a teacher's HOUUSE Rubric points are valid only for that core academic subject area, and would not be good if the teacher incurred a change in assignment to a different core academic subject area.)
