

Your Job Search Solution

The Indiana Department of Education is dedicated to attracting and retaining qualified, highly effective educators to staff the 2,298 schools around our state. We strive to make Indiana's schools the best in the nation and we understand that starts with filling schools with the best administrators, teachers, and school-related personnel. Teachers-Teachers.com is the platform our state uses to connect job seekers with potential employers. Join today to help us #EducateIN.

Getting Started:

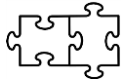

- ✓ Create a free account at indiana.teachers-teachers.com
- ✓ Establish your job seeker profile to share your education, work experience, certifications, references, and other relevant resume information.
- ✓ Upload transcripts, licenses, letters of recommendation, and other important documents.
- ✓ Highlight special skills, languages, extracurricular involvement, and awards/honors.
- ✓ Complete the Core Beliefs profile to explore employer matches.

The Job Search:

- 🔍 Explore jobs nationwide that meet your location and position preferences.
- 🔍 Setup alerts to be notified when new jobs are posted that match your search criteria.
- 🔍 Save search criteria for later logins.
- 🔍 Search for job fairs near you.
- 🔍 Track current and past job applications.
- 🔍 Allow employers to find you. Employers can search the profile database to find job seekers like you!

Connect with Employers:

- ★ Evaluate district profiles to determine employers that might be a good fit.
- ★ Review and respond to employer communications and job campaigns.
- ★ Manage privacy and communication settings to determine who may contact you and how.
- ★ Contact hiring managers directly.
- ★ **Apply for job postings with one click!** Once your account is created, you can start applying for job postings using the profile you've created.
