### Review Checklist:

- ✓ Provide one-page or less description of your program proposal, including format, duration, setting, etc. Draft agendas would be helpful.
- ✓ Please provide evidence or documentation illustrating how your pedagogy component meets each of the six areas listed below:
  - Literacy for adolescents in content areas and across curriculum based on scientifically-based reading research.
  - Differentiation of instruction and instructional methods, including methods for students with exceptional needs.
  - Classroom and behavioral management, including legal rights and responsibilities of teacher and student.
  - Curriculum development, lesson planning, assessment strategies, and using data to inform decision.
  - Psychology of child development, including the development of exceptional needs students.
  - Competence in multicultural awareness and technology as an aid to education.
- ✓ Submit all materials electronically (email) to Scott Bogan, Higher Education Preparation Specialist at [sbogan@doe.in.gov](mailto:sbogan@doe.in.gov).

Questions? Contact Scott Bogan, Higher Education Specialist, at 317.232.9178 or [sbogan@doe.in.gov](mailto:sbogan@doe.in.gov).
