

MEMORANDUM

To: School Superintendents and Charter School Sponsors

From: Melissa Ambre, Director, Office of School Finance
Kathryn Roth, Summer School Program Manager

Date: May 10, 2019

Subject: Estimate of Reimbursement for 2019 Summer School Programs

In accordance with 511 IAC 12-2-2, school corporations and charter schools may be reimbursed for approved summer school classes at 105% of instructional costs and reduced proportionately if the appropriation is insufficient to fund all approved programs at 100%. School corporations and charter schools reported more than \$29.5 million in expenditure estimates for 2019 summer school programs. The total appropriation for summer school is \$18.36 million.

Attached is the list of school corporations and charter schools that are eligible for reimbursement. Also attached are the estimated reimbursement amounts according to the total submitted estimated costs. Only those schools on the attached list are eligible to seek reimbursement for actual costs submitted later this year.

Actual costs reported on the Final Instructional Costs Report may be greater than, less than, or equal to the amount of the estimated distribution. The actual percentage of reimbursement of summer school costs will be determined when actual expenditure data is received this fall. In order to receive reimbursement for summer school costs, the Final Instructional Costs Report must be submitted on or before Friday, September 13. The window to submit this report opens on Monday, July 29.

Additional information about the summer school program is available on the IDOE website at www.doe.in.gov/finance/summer-school and in the School Finance Community in Learning Connection. If you have questions about this memo or the method of calculating the estimated summer school distribution amount, please contact Kathryn Roth at kroth@doe.in.gov or Melissa Ambre at mambre@doe.in.gov.
