The 21<sup>st</sup> Century Community Learning Centers (21<sup>st</sup> CCLC) program allows for subgrants directly to non-public and faith-based schools and organizations. All 21<sup>st</sup> CCLC grantees are required to consult with non-public schools located within 5 miles of a 21<sup>st</sup> CCLC program site, while no equitable share is required. Non-public schools have the option to participate in the out-of-school-time program in coordination with the 21<sup>st</sup> CCLC grantee. For additional information on the 21<sup>st</sup> CCLC program, please visit the IDOE 21<sup>st</sup> CCLC program website: <https://www.doe.in.gov/21stcclc>
