

Quality Counts Charter School Program Grant Sessions

The *Quality Counts* grant emphasizes the opening, expansion, or replication of high-quality charter schools to ensure all students, particularly those from underserved populations, have the opportunity to meet Indiana's challenging academic standards. The funding shall be used to provide financial assistance for planning, program design, initial implementation, expansion, or replication of high-quality public charter schools. The IDOE will support these efforts through extensive technical assistance opportunities, including the strengthening of the charter school authorizing process.
