

Universal Precautions & Bloodborne Pathogen Training Log

School Year: _____

Date of Training: _____

School: _____

Person Conducting Training: _____

At a minimum, I received the following information:

1. Location of a copy of the regulatory text of the OSHA standard for Bloodborne Pathogens and an explanation of its contents
2. A general explanation of the epidemiology and symptoms of Bloodborne diseases
3. An explanation of the modes of transmission of Bloodborne pathogens
4. An explanation of my employer's exposure control plan and the means by which I can obtain a copy of the written plan
5. An explanation of the appropriate methods for recognizing tasks and other activities that may involve exposure to blood and other potentially infectious materials
6. An explanation of the use and limitations of methods that will prevent or reduce exposure including appropriate engineering controls, work practices, and person protective equipment
7. Information on the types, proper use, location, removal, handling, decontamination and disposal of personal protective equipment
8. An explanation of the basis for selection of personal protective equipment
9. Information on the hepatitis B vaccine, including information on its efficacy, safety, method of administration, the benefits of being vaccinated, and that the vaccine and vaccination will be offered free of charge
10. Information on the appropriate actions to take and persons to contact in an emergency involving blood or other potentially infectious materials
11. An explanation of the procedure to follow if an exposure incident occurs, including the method of reporting the incident and the medical follow-up that will be made available
12. Information on the post-exposure evaluation and follow-up that my employer is required to provide for me following an exposure incident
13. An explanation of the sign and labels for biohazard materials
14. An opportunity for questions and answers with the person conducting the training
