**Background:**

House Enrolled Act 1629 encourages development of community service in grades nine-12.

**Guidance:**

IC 20-30-14-1 has been amended to expand community service options to all high school students in grades nine-12 (previously grades 11-12 only). The Community Service (COMM SERV) course 0524 in the [Indiana Course Titles and Descriptions](#) will reflect these changes and be open to students to earn credit in grades nine-12.
