Subject: Student Safety Reporting

This memo serves as a reminder that all Student Safety Reporting Data Collections close on June 18.  Please see below for more information on these data collections.

Indiana's Student Safety Reporting Law (IC 20-34-6-1) requires school corporations to report student bullying and arrest data for each school to the Indiana Department of Education (IDOE). Submissions for arrest, bullying, and gang data are now included on the DOE-ES Report (discipline report) via the STN application center data transfer function.  **This data collection will begin on April 8, 2021 and close June 18, 2021.**  Questions related to the submission of the data can be directed to the STN administrator for your school corporation.  More information can be found on IDOE's website:  https://www.doe.in.gov/safety/student-safetybullying-reporting.

Additionally, Indiana Code 20-34-6-1 requires each school corporation to submit data to IDOE related to law enforcement presence in schools.   **This data collection is open now and will close June 18, 2021.**  To complete this data collection, please use this link: https://form.jotform.com/203553810756961.
