

AP-TIP IN Teacher Regional Network Meetings

During the 2018-19 school year, AP-TIP IN is sponsoring a series of **Teacher Regional Network Meetings** for *any* AP math, science and English teachers in the north, central and south parts of Indiana. These meetings are NO COST to teachers who wish to attend and will be held at AP-TIP IN high schools in these regions. The **Teacher Regional Network Meetings** will provide a venue for teachers to work on topics, strategies, and share best practices in their content areas.

AP-TIP IN Content Directors will survey program teachers to determine topics and content. Current and former program teachers will also be encouraged to take leadership roles as presenters and facilitators. Facilitators may also be hired to provide new or unique content or to share successful strategies with their colleagues.

Meetings will be held after school (generally 3:30 pm – 6:30 pm, local time) and include food and beverages. We request teachers register (link below) to help with planning. We'd love for you to attend! If you need to arrive late or leave early because of your personal schedule, that is fine.

Teachers who attend any **Teacher Regional Network Meeting** will be provided a PGP Certificate after each event they attend, with PGPs based on the sign in sheets (1 hour = 1 PGP).

Content Areas Impacted:

The AP-TIP IN Teacher Regional Network Meetings will support teachers in the following AP courses:

- Math: Calculus AB and Calculus BC, Statistics
- Science: Biology, Chemistry, Environmental Science, Physics 1
- English: Language, Literature
- Computer Science: Computer Science A and Computer Science Principles will meet at a Central location in the state. These meetings will be facilitated by Computer Science Specialist Joe Kinzel, and webinar meetings may replace meetings in person.
