SUBJECT: FY2019 State Tuition Support

The Office of School Finance has recalculated the estimate of FY2019 State Tuition Support distributions using updated Career and Technical Education and Honors counts. The FY2019 State Tuition Support worksheet reflects the updated data and can be viewed and printed from the School Finance Application Center. Reviewing the worksheet will afford you the opportunity to review the individual data variables used in the calculations. The site may be accessed at <https://stateaid.doe.in.gov/>. This is a secure site and will require a login and password. The login is the 4-digit corporation number and the password is the corporation PIN. **The Form 54 Monthly Distribution information will be available on December 14.**

The December 14, 2018, State Tuition Support payment reflects the actual September 2018 membership count, actual counts for both Career and Technical Education and the Honors Grants, and continued use of the December 1, 2017 Special Education counts. In February 2019, the Department will reconcile the Special Education Grant.

The Form 54 continues to reflect Veterans Memorial Fund and Common School Fund loan repayment amounts for July to December 2018. The Department will update loan repayment amounts for the second half of the fiscal year (January to June 2019) as part of the January 2019 State Tuition Support payment.
