RE: Submission Window Closed for Pandemic Electronic Benefit Transfers (P-EBT)
DATE: January 22, 2021

The Division of Family Resources (DFR) is pleased to share an overwhelming response of 99% of schools submitting over 470,000 students for P-EBT benefits. DFR offers sincere thanks to schools for the thorough response to the submission window for student P-EBT benefits. A complete list of schools submitting eligible students will be posted on the DFR P-EBT website. P-EBT cards will be mailed starting in February, the exact date regarding card issuance will be forthcoming.

Schools are encouraged to review and share the parent flyer, available in English and Spanish. We also strongly encourage schools to remain familiar with P-EBT, review the FAQ, and be prepared to answer parent questions when card mailings begin. Please visit the FSSA/DFR Pandemic-EBT [website for all of your P-EBT needs](#).

The P-EBT January submission window is now closed. Submissions can no longer be created or edited within the FSSA P-EBT Portal. Completed submissions can be viewed in the P-EBT Portal by accessing the tile through the [IDOE LINK Portal](#). Schools will have the ability to add eligible students missed in the January submission when the April submission window is open.
