

MEMORANDUM

TO: School Corporation Superintendents

FROM: Rebecca Estes, Director of Leadership & Innovation

DATE: June 5, 2020

SUBJECT: Educator Evaluation (EE) Report Collection Discontinued

House Enrolled Act (HEA) 1002 (2020) amends existing I.C. 20-28-11.5-4 by removing the requirement that student assessment results from statewide standardized assessments be used as part of a certified employee's annual evaluation performance plan. The Educator Evaluation (EE) Report collection is utilized to link the student achievement and growth data to educators for use by school corporations in educator evaluations. With the removal of existing requirements, the DOE-EE data collection is unnecessary and is therefore permanently canceled.
