OBJECT: February 2020 State Tuition Support Distribution

The following memorandum provides an overview of today's State Tuition Support distribution. The Office of School Finance has updated Special Education Grant funding to reflect actual December 2019 special education counts. Updated State Tuition Support worksheets are currently available in State Aid at the following link: <https://stateaid.doe.in.gov/> This is a secure site that requires a login and password. The login is the 4-digit corporation number and the password is the corporation PIN.

The Form 54 is also available. Current and estimated payments reflect upward or downward adjustments in response to the recalculation of the Special Education Grant. If there was an underpayment of funds from July 2019 through January 2020, the February payment amount will increase. If an overpayment of funds occurred from July 2019 through January 2020, the February through May payment amounts will decrease.
