

**MEMORANDUM**

**TO:** Superintendents, Principals, Technology Directors, District Administrators

**FROM:** Candice Dodson, Director of eLearning

**SUBJECT:** 2018 HECC awards

**DATE:** September 25, 2018

Each year, the Hoosier Educational Computer Coordinators (HECC) organization honors one individual in K-12 education for demonstrating a commitment to leadership with technology and learning for students and staff.

The HECC Technology Coordinator of the Year (TCOY) Presentation will occur during the HECC Conference annual meeting and reception in the Illinois Street Ballroom of the Crowne Plaza Union Station in Indianapolis on November 8.

Please note, the nomination must come from the school district superintendent or the coordinator's supervisor. There are so many incredible technology coordinators, directors, and CTOs in Indiana K-12 education today. Please take time to recognize the impact that your technology leader has had in your district today by submitting them for consideration. If you have any questions, please feel free to contact me for additional information.
