

## **Project Lead The Way Cybersecurity Grant Opportunity**

Project Lead The Way (PLTW) and the Indiana Department of Education are partnering to provide Indiana high schools a grant opportunity to implement PLTW's high school Cybersecurity course. More information on PLTW's Cybersecurity course can be found in the attached overview and in the following [course description, outline, and resume](#).

### **Grant Details:**

These grant awards, in the amount of \$8,000 per school, will assist in offsetting costs associated with implementation of the PLTW Computer Science program, specifically the PLTW Cybersecurity course during the 2019-20 and 2020-21 school years. Awards may be used to cover the following expenses during the first two years of implementation:

- PLTW Computer Science program participation fee
- PLTW Cybersecurity professional development expenses
- Cybersecurity Network Security Lab fee
- Required course equipment and supplies

Schools with existing PLTW programs and schools with no existing PLTW programs are all eligible to apply and can do so by [completing this brief application](#) by December 7, 2018.

All schools will be notified of their application status by January 15, 2019. Schools awarded a grant will receive more information at this time regarding next steps for implementation, PLTW Professional Development, and purchasing instructions as well as next steps from IDOE regarding award payments. All grant funds will be administered by IDOE.

For questions regarding PLTW and program implementation, please contact Theresa Hall, Senior Director of School Engagement at [thall@pltw.org](mailto:thall@pltw.org).

For questions regarding the grants and award process, please contact Jason Bailey at [jbailey@doe.in.gov](mailto:jbailey@doe.in.gov).
