

Please join the Indiana Department of Education and IUPUI for a webinar detailing our statewide initiative to develop greater cultural competency for teaching all children.

January 28, 2020 Webinar 10:00 a.m. – 11:00 a.m. EST

Our webinar will highlight four strands of professional learning around developing cultural competency for **trainer-of-trainer leadership teams to lead radical school improvement focused on equity, pedagogy, curriculum, and family-community-school engagement.** The trainer-of-trainer teams will engage in learning across one school year with support from IUPUI faculty and then implement change more broadly within school sites in a follow up year. Come learn more in our webinar!
