

Indiana DON'T QUIT! ® Campaign
National Foundation for Governors' Fitness Councils
DON'T QUIT! Fitness Center Award

Deadline: Friday, March 20, 2020

Dear Educator:

It is my pleasure to announce that the National Foundation for Governors' Fitness Councils (NFGFC) is partnering with Governor Eric Holcomb and the State of Indiana for its 2020 DON'T QUIT! Campaign. The mission of this campaign is to identify and support schools that prioritize student fitness, but lack the adequate resources. The NFGFC will award a DON'T QUIT! Fitness Center to three schools in Indiana. Each fitness center is worth \$100,000 and includes strength training equipment, cardio fitness equipment, and a multi-exercise, circuit training system. This is a gift, not a grant. Each fitness center is financed through public/private partnerships with companies like The Coca-Cola Company, Anthem Foundation, Nike, and Wheels Up.

We are asking for your assistance in identifying eligible schools for this opportunity. Please contact your school leaders and encourage them to nominate their school by applying between now and Friday, March 20, 2020. Attached to this email are 1) the application and 2) the campaign's public announcement with Governor Holcomb. Please make sure your school meets the qualifications listed on the application and that you have the full support of your school leadership.

Please save your completed application as a Word document (.doc/.docx) and email it to kelly@natgovfit.org. Be sure to include the photos requested to receive full consideration. Submitting a supplemental video is highly encouraged. More information can be found on our website at www.natgovfit.org/nominate-your-school.

This is an incredible opportunity to positively impact the lives of your students for years to come! We look forward to receiving your school's nomination. Thank you for joining the #dontquit campaign to help make Indiana students as healthy and happy as they can be!

Respectfully,

Kelly Olin
Program Director
NFGFC
