INTERIM ASSESSMENTS IN FALL 2020

FOR SCHOOL DATA LEADERS

As students return to school this fall, interim and formative assessment data can provide much-needed information about where students are academically and how schools can respond to student needs. Join us for a discussion about implementing interim assessments, providing support to teachers, and working with assessment providers to engage with best practices.

JULY 20, 2-3 PM (ET)

JULY 22, 9-10 AM (ET)
