Date: February 2, 2018
RE: Important Updates Regarding Indiana's Job Bank

During the fall semester of 2017, the Office of Educator Effectiveness released [information](#) regarding Indiana's new Educator Recruitment Platform, <https://indiana.teachers-teachers.com/>.

Beginning on Monday, February 12, 2018 www.doe.in.gov/jobbank will begin re-directing to www.doe.in.gov/teachers-teachers. At that time, site visitors will utilize www.doe.in.gov/teachers-teachers as the primary IDOE landing page for educator recruitment. At the bottom of the webpage is a live feed of the Teachers-Teachers platform that displays all Indiana job postings, events, and announcements. Job seekers are able to view the Teachers-Teachers postings, subscribe to the feed, and search/filter openings by different criteria from this IDOE webpage.

A link will be available on www.doe.in.gov/teachers-teachers to the current job bank for those that would like to continue to access and utilize it.

Register your free account at <https://indiana.teachers-teachers.com/> today and review resources and training opportunities at www.doe.in.gov/teachers-teachers. Please contact Maggie Rowlands, mrowlands@doe.in.gov with questions.
