Re: Public Corporation Transfer Report based on Fall 2018-2019 Enrollment Data
Date: November 30, 2018

In accordance with the requirements of IC 20-51-4-12 the Indiana Department of Education is issuing the Fall 2018-2019 Public Corporation Transfer Report. The file is now available for download at <https://www.doe.in.gov/sites/default/files/accountability/fall-2018-2019-public-corporation-transfer-report.xlsx>. Use the District Spotlight tab to select a school corporation of interest.

This report to be published each fall and spring will help schools better understand the mobility of students living within the boundaries of their school corporations. The accuracy of these data depend on accuracy of each school reporting the school of legal settlement for students on the ME (Membership) report.
