Re: Principal Survey Reminder

As a reminder, Indiana Code 20-28-11.5-9 requires a principal at each school corporation, including both charter and virtual schools, to complete an annual survey for any teacher employed in his/her building who was *initially licensed in Indiana during the previous two (2) years*. The purpose of the survey is not to assess the individual teacher, but the quality of preparation provided by the Indiana educator preparation program s/he completed for licensure. The Indiana Department of Education is required to provide the survey form to principals during the second semester of each academic year.
