

MEMORANDUM

To: Superintendents and Principals
From: Jason Bailey, *Senior eLearning Strategist*, jbailey@doe.in.gov
Date: July 24, 2018
Subject: Managed Security Services Grant Awarded

The Indiana Department of Education (IDOE) is pleased to announce the recipients of our first grant to support cybersecurity in schools. Nineteen school corporations proposed partnerships with private sector security experts to provide continuous monitoring of network traffic and threat hunting. A total of \$441,819 is being granted to these schools which have committed \$1,290,146 in local matching dollars. Grants up to \$25,000 have been awarded to match equal or greater contributions made by the following school corporations:

Avon Community School Corporation
Carmel Clay Schools
Center Grove Community School Corporation
Elkhart Community Schools
Frontier School Corporation
Goshen Community Schools
Hamilton Southeastern Schools
Hanover Community School Corporation
Indianapolis Public Schools
Lakeland School Corporation
Lebanon Community School Corporation
M S D Lawrence Township
M S D Warren Township
Monroe County Community School Corporation
Noblesville Schools
School City of Hammond
