Indiana’s 2nd Annual

Educating the Whole Child Summit
Creating Conditions for Learning

Sponsored by
Indiana School Mental Health Initiative
Indiana Institute on Disability and Community, Indiana University—Bloomington
with the Indiana Department of Education and the Indiana Division of Mental Health and Addiction

A Two-Day Summit on
February 19 & 20, 2020
Indianapolis Marriott East

Attend the Summit to:
• Learn from state and national experts
• Work interactively with your district team during dedicated team planning time, and leave with a workbook of steps for implementation
• Hear how school districts are creating conditions for learning and reallocating resources to address needs of the whole child within school frameworks
• Connect to resources and supports
• Explore how to create better school-based mental health services and collaborative efforts with community partners
• Network with speakers, exhibitors, and other districts outside presentations

More-detailed information coming soon. Questions? Please contact Christy Gauss at jcgauss@indiana.edu
