RE: Submission Window Closed for Pandemic Electronic Benefit Transfers (P-EBT)
DATE: February 26, 2021

Please join the Division of Family Resources at one of several live P-EBT webinars daily between February 25th and March 4th. Each session will cover critical updates to P-EBT policy and the data submission process, along with reviewing common problems with data in previous submissions. Attendees will also have the chance to ask questions related to P-EBT eligibility and enrollment.

It is extremely important to have relevant staff persons attend one of these sessions. We recommend that you have administrative staff, anyone that is involved in P-EBT reporting or data gathering, and anyone who may be involved in answering parent inquiries about P-EBT attend.

Each session will cover the same information, so your school's representative(s) only need to attend one. Please arrive early, as attendance for each webinar is capped at 250. The dates and times for the webinars can be found below.
